WHO WE ARE? SPARTAN ATHLETIC FOUNDATION (SAF) is a 501(c)(3) organization established to assist in providing support, both financially and otherwise, to the athletic programs at Mountain Brook Junior High (MBJH) and Mountain Brook High School (MBHS). SAF consists of approximately 100 Mountain Brook residents or supporters interested in helping support the athletic programs. The primary goal of SAF is to make sure that the MBJH and MBHS athletes have what they need to compete at the highest levels and in a safe environment.

WHAT DO WE DO? SAF raises money to support EVERY sports program at MBJH and MBHS. SAF focuses on capital improvements and big-ticket items that the school system and BOOSTER CLUBS typically cannot afford. SAF does not limit itself to simply capital improvements, however, and it works with the Athletic Director, the School leadership, the School Board, and the coaches to provide support where needed. We also meet quarterly with the Athletic Director and the Coaches to get updates on the various sports and to hear about where help may be needed. SAF can also provide some assistance with communications between the coaches and the community.

WHY DO WE DO THIS? SAF exists primarily to try and eliminate the need to have a separate BOOSTER CLUB for every team and athletic group. SAF recognizes that some of these BOOSTER groups still exist, which is necessary for specific sports with high per-player cost structures. SAF provides the schools with one big booster club for all sports. **Members can designate contributions to specific sports and their specific sub account.** This enables EVERY coach to have a source of support. Mostly, we do this because we love Mountain Brook schools and the athletic teams that are a part of the schools.
